# WHY TEENS KILL

## Warning Signs, Causes, Triggers and Prevention

This powerful workshop covers the warning signs of teenage killers and what causes them to carry out such shocking and senseless murders. Participants will review crime scene photos, hear from investigators, and discover what went right and what went wrong in these cases. Participants will also learn about the history of teen murders, the six types of teen killers and what makes this new wave of killer tick. The workshop also provides a look at today's youth culture, including the latest teen entertainment and trends, like Facebook, YouTube and sexting. This workshop is presented by Phil Chalmers, America's leading authority on juvenile homicide and mass murder.
